The following notes should be read in conjunction with the accompanying Consolidated Schedule of Investments.

(a) Variable rate security - Interest rate is based on reference rate and spread or based on the underlying assets. Interest rate may also be subject to a cap or floor. Securities that reference SOFR may be subject to a credit spread adjustment, particularly to legacy holdings that reference LIBOR that have transitioned to SOFR as the base lending rate.

(b) These securities are characterized as Level 3 securities within the disclosure hierarchy. Level 3 security values are determined using significant unobservable inputs. As of March 31, 2025, the total value of all such securities was \$84,396,476 or 27.7% of net assets.

(c) Paid in kind security which may pay interest in additional par.

(d) As of March 31, 2025, the Fund had entered into the following commitments to fund various revolving and delayed draw senior secured and subordinated loans. Such commitments are subject to the satisfaction of certain conditions set forth in the documents governing these loans and there can be no assurance that such conditions will be satisfied. All values are reflected at par.
